

THE CRR TRAIL MIX

ISSUE 5 2013

HONEY

Hello Campers! It's sure been a long winter but spring is finally here and summer is right around the corner. The staff are here getting the horses ready for you and we can't wait for summer to arrive and camp to begin! Our sessions are filling up quickly now with registrations coming in everyday so if you haven't registered for camp yet, make sure you do it soon to have the best chance of getting into your first choice week. This year we've added online registration to our website www.circleRanch.com. Thanks to Active online, registering for Circle R Ranch is fast, easy, secure, and you can even set up payments! See you soon and God bless you all, Jack McCoy

Meet the Directors

Riding Director
Tessa Slavenski

Tessa is returning for her third year as a staff member and her first year as Riding Director. As Jack's niece and an Equine Science student, she brings a ton of knowledge and some great new ideas to the table. Tessa wants all of the campers to have a safe and fun learning experience at Circle R Ranch. We're excited to have her back this summer!

Program Director
Amy Reznicek

Amy is returning for her second summer as Program Director. She took last summer off to take summer classes at SCSU where she is studying Elementary Education. She missed the campers, staff, and Chip (her favorite horse) too much and had to come back. She's got some great program ideas and is looking forward to having fun with all of the campers!

Camper in the Spotlight

Chris Veres 12

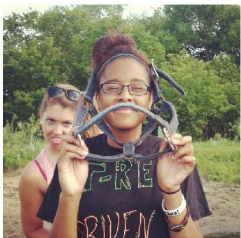

I have been going to camp for three years and this summer will be my fourth at the Ranch. I have stayed in the Caboose all of these years. All of the counselors that I have met are amazing! Circle R Ranch has been so inviting to me. The horses that I have ridden are Albert, Mouse, Breck, Thorn, Nisswa, Northstar, and Revlon. They were all fantastic! Every single year I can't wait for camp to come. I always look at the Trail Mix group on Facebook to look at updates and other things that are going on at the Ranch. Going to Circle R Ranch is the highlight of my summer. Some of my favorite things to do at Circle R, besides ride, are meeting new friends and counselors, karaoke night, and swimming. The first day I get to camp is when I say to myself, "I am home." The reason I like Circle R so much is that it is like my second home. Everything is so nice and it makes me happy. I would not trade my time at Circle R Ranch for anything in the world because you can't put a price on family!
