

Established in 1969, the Circle-R has met the high standards of the American Camping Association, and is an accredited member of A.C.A., and also a member of the Association For Horsemanship Safety and Education.

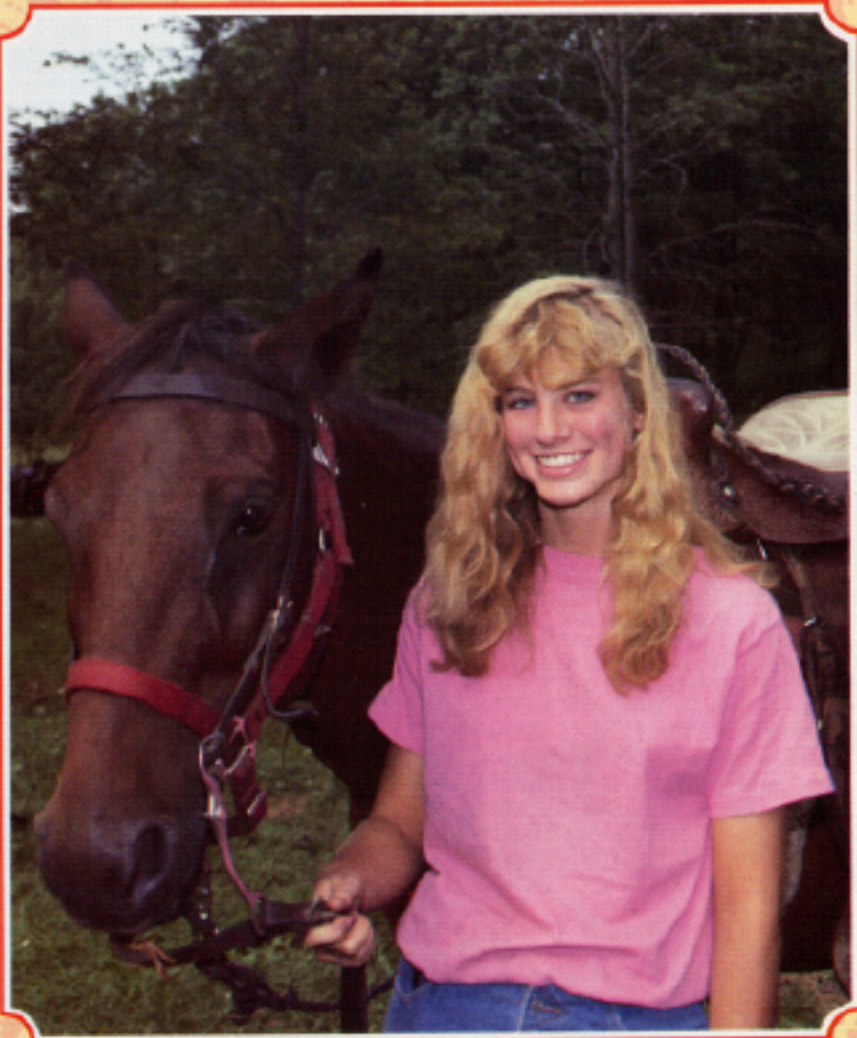

This unique summer camp offers a rich experience for youngsters 7 through 16 years of age. Owned and operated by Jack and Leslie McCoy, the 500-plus acre ranch is a working ranch. Crops are grown consisting of corn, oats and hay. Besides the 120 horses, there are many other animals for the children's enjoyment. Rabbits, cats, ducks, deer and Pawnee the buffalo, to name a few. The regular camp season runs June thru August.

Our facilities are top-notch. The main bunkhouse sports a walk-out basement recreation room, dining room and kitchen. Bunkhouse and cabins house campers and counselors. The swimming pool and tennis court add to the summer enjoyment and are just around the corner from the bunkhouse and corral.

Meals are served cafeteria style and everyone helps themselves to as much as they want, including seconds.
